- Child Lock/Parental Control with password protection
- Contemporary design
- Full function remote
- Multiple subtitle format support

About DivX – DivX Networks creates and distributes the popular DivX® video technology, which exploded onto the Internet in 1999 and has since grown into an international phenomenon. DivX offers unsurpassed visual quality, superior file compression, and advanced features, and is used by over 120 million users worldwide.

About Nero – Nero Digital is the first complete MPEG-4 audio and video solution for home entertainment and CE devices to be completely based on the MPEG-4 standard. Nero Digital™ combines MPEG-4 video, AAC audio and DVD-style navigation features such as multiple subtitles, audio tracks and chapters into one .p4 file. 180 million users worldwide use Nero.
